### **Custom Plastic Game Cards**

f you're creating your own game and looking for the best material available in the cards industry, look no further. We stock some of the best materials available for game cards. Our premium plastic game cards material are 29pt and 100% plastic which provides excellent print color at the highest quality and superior handling as compared to traditional paper playing ards. Completely waterproof with a smooth surface for cards to glide more easily. Start from a blank canvas and customize rour own plastic game cards or flash cards now using our easy to use online builder and order in bulk at great low prices or order just 1 deck for your own personal use or as a unique gift. Complete customization on both sides.

Page suivante, Je peux choisir le nombre de cartes « <u>Size of deck</u> », le « <u>packaging</u> » et je clic sur « <u>start your design</u> » pour lancer ma création.

Page suivante, je clic sur « <u>Different images</u> » si je veux une image différente pour chaque carte, ce qui est évident, on ne va pas jouer qu'avec des AS.

Step 1: Enter number of c	ards for your deck (max. 54) Packaging	54 Shrink-wrapped	[CLOSE]
Choose what you	want to put on card fronts:		
Image & Text		Color Backgro	und & Text
Same image	Same for all fronts*	Same message	Same message for all fronts*
Different images	Different for all fronts	Different message	Different message for all fronts
	*Note: Only one card is shown for desi	ign if you choose 'same	image' or 'same message'

Page suivante, je télécharge mes images, « <u>Upload images</u> », que j'ai bien sur créées avant (avec Photoshop ou autre), puis je fais un « <u>alisser-déposer</u> » de toutes mes cartes personnalisées dans les cartes vierges prévues à cet effet. Bien faire attention de s'approcher au maximum des traits pointillés rouges sans non plus les dépasser. Je peux éditer chaque carte en cliquant sur « <u>Edit</u> ».

ou la supprimer en cliquant sur « <u>Remove</u> ».

Pour passer à l'étape suivante, je clic sur « <u>Next Step</u> ».

Page suivante, on vous informe que pour utiliser toutes les fonctionnalités du fabricant en ligne, il faut s'assurer que Flash est activé dans Firefox. Cliquer sur « [Close] » pour continuer et activer Flash.

1. Cliquez sur l'icône grise, comme ci-dessous, située en haut à gauche de votre navigateur :

To conti	nue	[CLOSE]
In order to follows:	o use the full functionality of our online maker, ensure you have your Fl	ash turned on as
1. Click or	the below grey plugins icon found at the top left corner of your brows	er:
	Design Text × +	
( )	www.makeplayingcards.com/design/dn_texteditor_front.as	
	Would you like to allow http://www.makeplayingcards.com to run Adobe Flash? Plugins may slow Firefox. Learn More	
	Allow Now Allow and Remember	
2. And the	en click on the "Allow and Remember" button.	

2. Et puis cliquez sur le bouton « Autoriser et mémoriser ».

Page suivante, je ne veux pas ajouter de texte, je clic sur « <u>Next Step</u> ».

Page suivante, je clic sur « <u>Same image</u> », je ne veux qu'une seule image pour le dos de mes cartes, évident la aussi.

Step 3: Number of cards ( Step 4:	max 54) 54		[CLOSE]
Image & Text	want to put on <b>card backs</b> .	Color Backgrou	und & Text
Same image	Same for all backs*	Same message	Same message for all backs*
Different images	Different for all backs	Different message	Different message for all backs

\*Note: Only one card is shown for design if you choose 'same image' or 'same message'

Page suivante, comme pour les 54 faces, là il n'y a évidemment qu'une seule carte car j'ai choisi la même image pour le dos. Je télécharge mon image, « <u>Upload images</u> », que j'ai bien sur créée avant (avec Photoshop ou autre), puis je fais un « <u>glisser-déposer</u> » de celle-ci dans la carte vierge prévue à cet effet. Bien faire attention de s'approcher au maximum des traits pointillés rouges sans non plus les dépasser.

Je peux éditer chaque carte en cliquant sur « <u>Edit</u> ». ou la supprimer en cliquant sur « <u>Remove</u> ».

Pour passer à l'étape suivante, je clic sur « <u>Next Step</u> ».

Page suivante, je ne veux pas ajouter de texte, je clic sur « Next Step ».

CANCEL BACK TO TO

Page suivante, je visualise toutes mes cartes (face et dos). Tout en bas de la page je coche la case « <u>Yes, I confirm etc...</u> ».

Page suivante, je clic sur aller à la caisse « <u>Go to Checkout</u> ». En cliquant sur « <u>[UPGRADE]</u> », je peux ajouter une boite à mon jeu. La désignation « <u>Shrink Wrapped</u> » indique qu'il sera simplement emballé dans du plastique.

Page suivante, on vous incite à prendre une boite avec votre jeu en cliquant sur le bouton « <u>UPGRADE</u> », C'est vous qui voyez, le prix ne sera pas le même en fonction du type de boite.

Moi je clic sur « <u>No thanks</u> ».

No box notice	×
Would you like to add a box for your card decks? You can add it by clicking on the [UPGRADE] button beside packaging and choose from the drop down menu in the pop-up.	
OK No thanks	

Dernière page, « <u>Billing Address</u> » Adresse de facturation, « <u>Shipping Address</u> » Adresse de livraison.

Je choisis la livraison Standard « <u>Standard Services - Registered mail optional \$5.99</u> ». la livraison indique, entre le 11 et le 14 septembre ce qui fait un délai de 15 à 20 jours environ. On peut choisir une livraison plus rapide, mais le prix est exorbitant, 33,99\$ pour gagner 1 à 2 semaines, c'est vous qui voyez.

Vous entrez vos « <u>N<sup>o</sup> de carte bancaire</u> », « <u>Date d'expiration</u> » et le « <u>numéro de vérification</u> » au dos de votre carte.

Et pour finir, il faut cliquer sur «<u>Submit Order</u>».
